

Oh what a lovely regatta!

Not at Agios Georgios for our Regatta? Well you missed a fantastic event! Sun, good sailing wind and flat seas - pure magic. Without doubt the best sailing event in the PISC Calendar this year.

Huge thanks to all our members not sailing who gave up their weekend to ensure FUN was had by all.

The European Kestrel Open was won by David Brown and Madelaine Hampton in a very closely contested series of six races. Indeed David and Madelaine did so well they also picked up the "Peter Dicker Trophy" for the fastest boat on the water.

The Wayfarer Regatta was won by our Commodore Paul and his wife Penny. A convincing victory with first place in all four races.

Graham Flint and Roy Hartley won the Regatta Handicap event in their graceful Osprey dinghy.

Well done all sailors you put on a magnificent show.

Thanks must go to Claire Lambert the Chairperson of Kestrel Owners Association for organising the Kestrel

sailors from UK who really did put the "cherry on the cake" to make this Regatta especially enjoyable.

On a personal note I would like to thank Stewart Murdoch, the UK National Champion who helmed "Alice" and made her go like a train! Alice a sprightly 20 year old was whirled around the races to achieve 3rd place overall and pick up the Trophy for the fastest Mk. 2 Kestrel on the water.

So, a unanimous call - this Great Club shines even brighter after this superb Regatta.
