

# SAILING with PISC REGATTA RESULTS

**At last a Regatta with some good sailing wind. It made such a difference to the excitement as fifteen dinghies raced at top speed through the choppy waters of Agios Georgios.**

How does one win yet never come first? A strategy for consistency is the answer. Overall winners and winners of the Peter Dicker Perpetual Trophy were Paul and Penny Hutton-Ashkenny in their Wayfarer Dinghy "Island Girl". Let those pesky Kestrels (a faster boat on handicap) squabble amongst themselves, getting in each others way to get to the front. Meanwhile "Island Girl" quietly keeping out of trouble, produces a magnificent record of four races with four second places to take first place overall. Aesop wrote a few fables about such behaviour.

For a full set of results and some cracking "Liz Unwin photographs" go to [www.pisc.com.cy](http://www.pisc.com.cy) click "On the water" and scroll down to Regatta Results.

As ever no Regatta can be sailed without considerable backup of planning; organisation; attention to detail and safety on the water. Here the true value of this great club comes to the fore.

Step up our ever willing band of volunteers on Administration; Reception; Merchandise; 1st. Aid; Beach Launch and Recovery; Committee Boat Crew on Captain Sawvas Fishing Boat (efharisto Sawvas); the ever vigilant crews of our two Safety Boats and the Saturday evening BBQ volunteers. Last but certainly not least, Koula and her team of ladies who, throughout the weekend, kept us watered and fed. Thank you everyone.

Nick Cairns, Blevin Franks presenting the Peter Dicker Trophy to overall winners Paul and Penny.

Space prevents listing all names, however, special thanks must go to the "Officer of the Day" our very own Lesley Anderson who, in challenging sea conditions, set four superb courses, got the dinghies off to prompt starts and managed her

team of essential volunteers on the Committee Boat in magnificent style.

Rear Commodore Sailing Neil Hodkin in thanking everyone for their tremendous effort and help, commented that this Regatta was probably the best in a long time.

All at PISC are looking forward to the next one in spring 2019.
