## SUMMER SAILING SPECTACULAR

**A not to be missed event. For 3 days over the weekend of 26-28 June 2015 Paphos International Sailing Club (PISC) are holding their annual Summer Regatta. Sailing Clubs from all over Cyprus will be travelling to the beautiful Agios Georgios Harbour to compete with us in a series of seven exciting races.**

Make a great day out. Visit the outstanding "St. George's" Church, the Museum, and the neolithic burial caves excavated in the cliffs nearby. Purchase some tasty local produce and "gifts" from the many stalls in the Church Yard then take a stroll to "Sea Caves" about 200m away down the hill.

Relax and have a lovely fresh meal at the local Tavernas or come down to the Beach Cafe and choose from a variety of delicious snacks or maybe a naughty ice-cream. If you have time why not hire a sun bed and top-up that tan.

Better still don't miss the opportunity to see racing dinghies at close hand, watch them being launched then racing around fixed buoys (racing marks) just off the harbour wall. Bring a pair of binoculars for close-up

action on board the complex racing dinghies.

Directions: From Coral Bay roundabout drive past Philippos Supermarket and continue along the road for about 8 km to Agios Georgios. No turning off - just stop before you drive into the sea! Put these dates into your calendar now for a great day to remember.
